DEDICATION

The 1972 edition of the THOROBRED is dedicated to Dr. Lloyd Alexander and Rev. William Jones. "The only thing that pays in life is hard work." This philosophy, along with his leadership and guidance has earned for Dr. Alexander the 1972 dedication.

Dr. Alexander received his Bachelor and Master of Science degrees from the University of Michigan, and his Doctorate degree from the University of Rochester. Prior to his appointment as Professor and Head of the Biology Department at Kentucky State College in 1949, Dr. Alexander served as instructor and associate professor at Fisk University.

Evidences of Dr. Alexander's profound interest in the youth include his tenure as director of six National Science Foundation Programs for gifted high school students and as director of the Upward Bound Program at Kentucky State. For the past twenty-one years, he has been active in the Kentucky Academy of Science, and once served as its President.

Dr. Alexander's contributions to the field of Biology are noteworthy. He has had four articles published concerning experimental embryology and his doctoral work is currently used as a reference in embryology textbooks. The Kentucky State College community recognizes and is proud of the leadership Dr. Lloyd Alexander has afforded us.

Rev. William Jones has been a member of the faculty of Kentucky State College for

forty-three years. He received his Bachelor degree in Chemistry and Mathematics from Johnson C. Smith University, Master degree from Cornell University, and advanced study at the University of Michigan and Indiana University. Rev. Jones has also studied Theology at College of the Bible, now Lexington Theological Seminary, Lexington, Kentucky.

During his tenure as College Chaplain, Rev. Jones has tried to link the college religious life with that of the Frankfort Community and the state at large. He has served as faculty sponsor of the Gospel Ensemble, Member of the Executive Council, Chairman of Athletic Committee, Chairman of Student Personnel Committee, and advisor to Alpha Kappa Mu Honor Society.

In the field of Mathematics, Rev. Jones will remain a memorable figure. The contributions Rev. William Jones has made to the spiritual, intellectual, and moral development of the students of Kentucky State College is deeply appreciated.

IN MEMORIAM

Mr. James B. Brown

March 20, 1905—December 27, 1971

Lord, make me an instrument of Thy
Peace
Where there is hatred, let me sow love;
Where there is injury, pardon;
Where there is doubt, faith;
Where there is despair, hope;
Where there is darkness, light;
Where there is sadness, joy.

O Divine Master, grant that I may not
so much seek to be consoled as to
console;
To be understood, as to understand;
To be loved, as to love;
For it is in giving that we receive;
It is in pardoning that we are
pardoned;
And it is in dying that we are born to
Eternal Life.

THOROBREDS POST FIRST WINNING SEASON IN SEVEN YEARS

Under the second year reign of Coach LeRoy Smith, the Thorobred's Gridders of 1971 posted the first winning season at Kentucky State in seven years. Coach Smith, who is known for his winning success at Tuskegee Institute, (a known power house in the S.I.A.C.) was determined to rebuild the winning tradition and spirit of the 40's and 50's at Kentucky State College. With a new recruitment program of his own, Coach Smith and his assistants recruited some of the best athletes in the Southern Area. Some of these new recruits were starters on the Thorobred team; Robert Booker, James Leonard, and Michael McGuire.

After a disappointing 4-6 season as head Coach of the Thorobred, Coach Smith turned everything around in 1971 by posting an 8-3 season. All this sweetness and success came from hard work, early spring training and good conditioning program.

The success of the Thorobreds during the 1971 season also depended a great deal upon the marching of Junior Quarterback Mike Jackson from Washington, D.C. The young quarterback was at the helm for the first time since high school where he won All-State honors as quarterback. Jackson played his first two years as a defensive back and the question was whether he could make this adjustment quick enough. With a lot of confidence in himself and his teammates, Jackson quickly solved this problem by posting three touchdowns passes, and running another one himself in a 34-7 victory over Langston University. After two straight defeats, the Thorobreds won six games in a row to produce the school's first winning season in seven years. The Breds defeated such teams as Ft. Valley, Bethune-Cookman, Federal City College, and Savannah State. These victories impressed scouts from the Orange Bowl Classic in Miami, enough to extend an invitation to Coach Smith and his team to meet Florida A & M in the Orange Bowl Blossom Classic. Even though the Thorobreds were defeated 27-9, in the game, this was a great moment for the team and the school. For the first time in 20 years, Kentucky State Football team was invited to participate in a post season game.

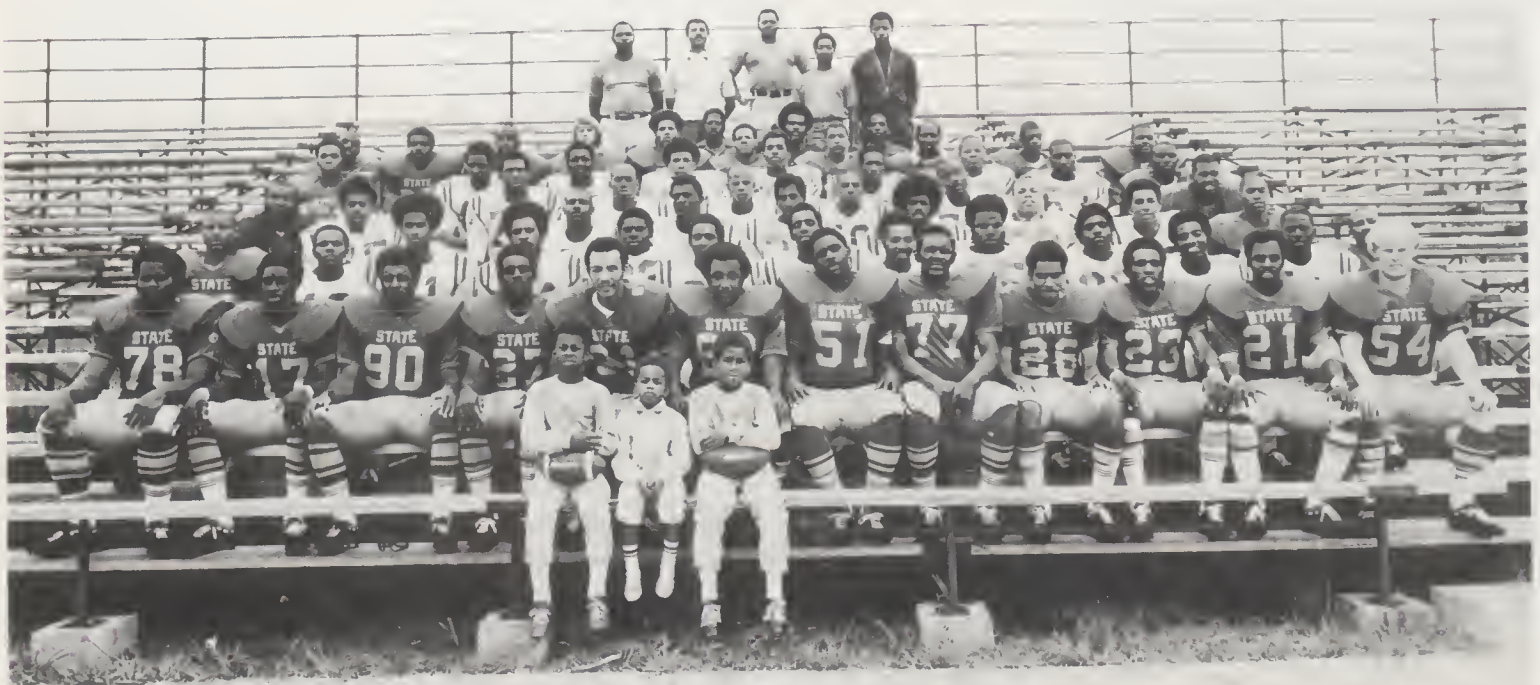

The Climax of the Thorobred's Season came when Council Rudolph and Willie Rodgers were drafted seventh and 13th respectively in the February Pro draft by the National Football League.

K.S.C. TRACK TEAM

Coach Kenneth Gibson

Track Team

Taking over the Track & Field Team at Kentucky State in 1967, Coach Kenneth D. Gibson has consistently coached winners, turning out top track and field teams. In his four seasons at the Thorobred helm, he has produced three individual National Champions and thirteen All-Americans. After winning Championships at the Mason Dixon Games, Kentucky, Ohio, Kansas, Ball State and Quantico Relays as well as the central Collegiate Fort Campbell and Wayne State Meets, the Thorobreds went on to capture the 1971 N.C.A.A. College Division Championship. This achievement earned Coach Gibson College Division "Coach of the year" honors for the 1971 season.

Seldom have so few accomplished so much. From Kentucky State College they came Dick Garrett, Steve Jordan, Charles Stallworth, Allen Pinkston and Ronald Murphy—Coach Kenneth Gibson's Thorobreds and the unheralded five tracksters from Kentucky walked out of Sacramento State's Hornew Stadium on June 12th with the national college division track and field team championship in the ninth annual event.

Gibson's swift quintet chalked up 42 points, relegating defending champion Cal Poly of San Luis Obispo to the runnerup spot with 33, just one ahead of host Sacramento State. The new champs accomplished their unexpected feat not with quantity, but quality. Five places. Two first, two seconds and a third. Dick Garrett won the 100 in 9.7. Jordan copped the 440 in 46.8. Garrett ran 21.2 for the furlong silver medal. He anchored the team composed of Jordan, Stallworth and Murphy to second in the 440 relay in 40.6. Jordan served as anchorman with Stallworth, Pinkston and Murphy for third in the mile relay in 3:11.5. That wrapped it up. With Garrett scoring 20 points and Jordan adding 13½, the two Thorobreds outscored every other school at the meet.

Only Allen Pinkston is gone from the 1971 team. The Thorobred's were fortunate to add to the 1972 roster such established performers as Ronnie Cleaver, Kentucky's High School 440 yard dash Champion, Johnny Lloyd, a top Kentucky High School distance runner, Earl Garrison, the Maryland High School Hurdles Champion, Carlton Stewart, a 9.6 sprinter from Rahway, New Jersey and Otis Ralston, the Kentucky's High School Hurdles Champion.

If the new comers are able to come through and the veterans repeat their 1971 performance the "Thorobreds" should have another banner year on the track.

BASKETBALL TEAM

The 1971-72 basketball team at Kentucky State College has a new look with the departure of Elmore Smith, William Graham, Jerome Brister, Bruce Hobson, Larry James, and Carl Baldon, the cagers of 1971-72 have plenty of new faces.

At the beginning of this season, people wondered how Coach Mitchell could make the statement that this year's team could be better than the one last year. Mitchell's assertion was based on the facts that he had recruited two of the most sought after athletes in the south, Harvey Carmichael and Andre Hampton. Mitchell said that if the Thorobreds jelled quickly, the team could be off to a running start. The Breds did not jell until the middle of the season when they put together a seven game winning streak.

Coach Lucious Mitchell has done a fine job with this year's squad along with Assistant Coach James V. Oliver. The team seemed to be in a slump around the middle of the season when they lost three of four games. During this time Coach Mitchell kept his team together by constantly reminding them to take pride in themselves.

Captains Travis Grant and Jarrett Stafford assumed the leadership roles and got the team back into their "running form."

The addition of Sam "Leaper" Sibert proved to be the turning point for the cagers this season. Sam has been tremendous on the boards and playing defense. Sam is averaging 17.3 points, 20.3 rebounds, and 4.7 blocked shots per game.

The Thorobreds are jelling. Carmichael, Francis, Box, and Faniel have matured into outstanding performers on the hardwood. Harold Gibson and Leon Harris have also contributed to the success of the team.

At the time of this writing the "Breds" are 17-5 and making a bid for their third straight NAIA National Championship. Travis Grant needs 176 points to become the all time scoring leader of small colleges. Sam Sibert is making a strong bid to break the single game rebounding record held by Elmore Smith (36). Sam has had three 30 rebound games.

STUDENT GOVERNMENT PRESIDENT

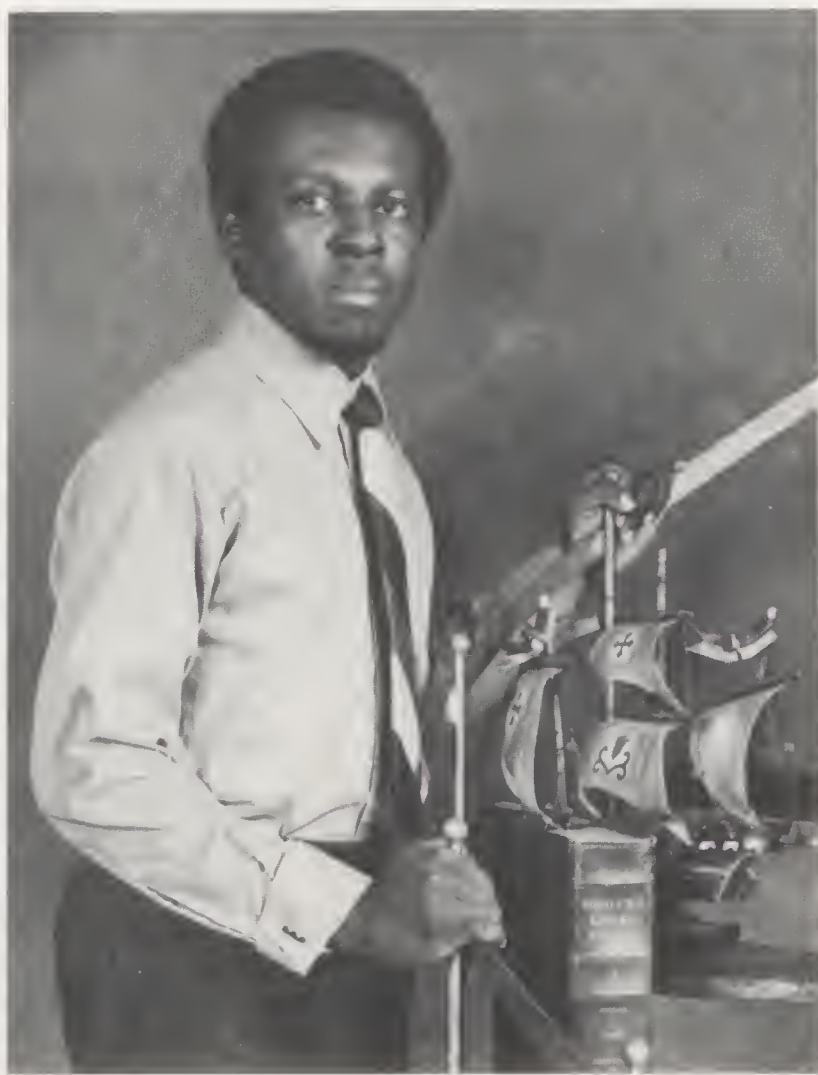

Philip Rogers

STUDENT BODY PRESIDENT'S MESSAGE

There comes a time in everyone's life when they must put away the characteristics of children and stand as adults. The society in which we live will not stay behind for the slothful, but will leave them. The same is true for our society here at Kentucky State College. We must move onward and upward and not let anyone curtail us in our ventures, whether they be faculty, staff or students. Progress is inevitable and we

must be a part of that forward stream or be left behind with those others who are stagnant.

This scholastic year has been one full of excitement, enjoyment and some disappointments, but all of it has aided me in becoming a better person and to understand the attitudes and dispositions of all types of personalities. It is my hope that Kentucky State College students will constantly strive to enhance themselves and their school. Let us therefore be cognizant of change and willing to adjust to it,

YEARBOOK STAFF

The long and difficult task of compiling the 1972 THOROBRED began in September, 1971. For six months a few dedicated members of the yearbook staff, under the editorship of Joseph Hearne, labored to produce an annual which would be representative of the entire community of Kentucky State College.

The members of the yearbook staff wish to thank the students, faculty, staff, and administration for their time and cooperation. We trust that you are satisfied with the end product; for it has been our pleasure as well as our duty to have assembled the 1972 THOROBRED for you.

Free food all you can eat. So, look out Chubby.

I love your smile, Baby.

We're off to see the lunchroom.

By Baby! Can I see you outside.

The chicken is going to crow tonight.

This is a trip.

You see girl, it's like this.

If it ain't Boone's Farm, I don't want it.

Smiling faces tell lies.

The dentist said it's okay.

Shout for Glory!

Oh Baby! Do it to that punch.

African Bush.

Man this trip is in my feet.

EDITOR'S MESSAGE

As the last bit of copy is typed and the last picture is cropped and sent off to the printer, the 1972 THOROBRED has become a reality for the future. It is my hope that each student will find himself represented somewhere among the pages that make up one year of life at Kentucky State College.

It is my sincere hope that we have created a history that will be appreciated by you, not just tomorrow but years from now, when you decide to turn the pages of your yearbook and recognize your colleagues and friends and say "this was the year, which fulfilled the hopes and dreams, not only of myself, but friends who yearned through the year 71-72 for joy and pride"; then this 1972 THOROBRED would have

accomplished its purpose.

As editor, I wish to express my thanks and sincere appreciation to those individuals whose help was of special value, to those whose contributions were significant. I would like to express my gratitude and the warmest thanks to Mrs. Ethel McLendon, (Advisor) for the THOROBRED, for her time and patience through the year. Also to Meryl Thornton, photographer (Bill Rogers), the 1972 THOROBRED Staff, and to those persons whose names are not mentioned, thanks a million.

"THREE TIMES" N.A.I.A. CHAMPS

SCORES (N.A.I.A.)

KSC		Their Scores
118	Minot State	68
112	West Georgia	83
66	St. Thomas	56
87	Stephen F. Austin	82
71	Eau Claire	62

The 1971-72 Thorobreds basketball team won it's third straight NAIA Championship by defeating Eau Claire, Wisconsin. After this victory many sportswriters called K-State the UCLA of Small Colleges. The Thorobreds became the second small college to win this crown three times straight.

Travis Grant set a tournament single game scoring record by netting 60 points against Minot State in the tourney's First Round action. Grant also scored 213 points to set an all tournament record. Many people felt that the Breds could not win in Kansas City without the Big "E." Sam Sibert, Francis and the other players were determined to change this attitude. CAN THE THOROBREDS MAKE IT FOUR STRAIGHT???? To Coach Mitchell and the Squad, Right On. . . we know that you have something in store for the fans next year.

The dream of a basketball dynasty in 1967-68 is now a reality, to Coach Mitchell, KSC, Frankfort, and the basketball world. . . .

Eau Claire

With Sympathy to you
in your Sorrow
To let you know that others share
The loss you're feeling now, and hope these
words of Sympathy
Will comfort you somehow.

K-State is still Number "1."

Mayor Bennett of Frankfort congratulates the N.A.I.A. Champs.
